- Do not discoloration and yellowing.

Technical Information

Content	Acrylic emulsion
Color	Most colors
Appearance	Viscous liquid
Gloss	Class G4
Particle Size	Class S1 (TS 7847)
Weight Solid	70±2%
Thinning	Water
Consumption	0,400 kg / m ²
Recommended Coat	2 -3 coats
Application Tools	Brush / Roller
Drying Time	2 hours to touch 6 hours to recoat 24 hours to full cure

COURT PAINT

Tennis Court Paint

Preparation of substrate

Application surfaces should be dry, oil-free and clean. Paint is used as a primer before the application with diluted water in the ratio of 1/1.

Application

Paint should be diluted with water in the ratio of 1/1 and applied as a primer. Then paint should be applied for second and third coats with diluted 10% water by using roller or brush.

Packaging

20 kg plastic bucket

Shelf Life

24 months in original, unopened package

Storage

Store in dry area between +5°C and +35°C. Protect from heat, freezing and direct sunlight.

Cleanup Information

Clean tools and equipment with water immediately after use. Dried material can only be removed mechanically.

Cautions / Limitations

- Do not overcoat with solvent based materials.
- Do not apply in freezing conditions or during precipitation.
- Protect applied materials from rain, freezing, foot traffic and continuous high humidity until completely dry.
- Do not use when air and surface temperatures are below +0°C and above +35°C.
- Avoid heavy traffic for 24 hours.
- Allow 4 weeks before washing or cleaning for full cure.
